**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our economy is based on competition. It is better for consumers and small to medium businesses. We cannot allow monopolies to govern who we do business with. It is healthier for our economy, both for consumers and businesses.

Please do not allow smaller businesses to be excluded through unethical price hikes. There is a reason why I switched over from ATT to Sonic. It allows me to get the best prices and services. We, as consumers, should be allowed to shop for the lowest prices and best services.

Thank you.
